Hello again. Thanksgiving is upon us and our Christmas party will no doubt be in the next few days by the time this gets published so Gabriele and I wish everyone a Happy Thanksgiving, full of food and fun and look forward to seeing everyone at the Christmas Party...wear your dancing shoes!

Our November business meeting was fun and full of spirited debate on a couple of issues to which we came to a couple of decisions by majority club vote and those are....

1. Outing fee's will be raised to \$10 per person beginning with the New Years Eve rally to Williams. Wagon Masters reimbursement will no greater than the total value of fees collected and receipts turned in for their outing. Wagon Masters may use these fees to purchase food for group dinners, decorations and other items the entire group will benefit from during their outing. You are under no obligation to spend these funds, but regardless, your reimbursement will be no more than funds collected and receipts turned. Should you spend more than the collected amount, which I know many of us do, that is totally your decision.

2. We voted to continue the Day Event Program but are in need of a coordinator for Day events so if you enjoy this function and want to see it continue we need someone to step up and make it happen.

Our next rally is set for New Year's Eve in Williams which will be a fun time in cooler weather so get over to our club website and sign up, we can take as many rigs as want to come.

See you at the Christmas party! Mike

# New Feature Continues:

Next in our series about club officers and volunteers, here's our Vice-President, **Janice Porter!**

Janice and Roger have been married for 44 years and met in Renton, WA where Janice was a commercial loan officer and Roger was working in law enforcement. They lived on Lake Tapps and raised two children, one now living in Wichita, KS and the other in Puyallup, WA. At that time their lives revolved around boating and water skiing.

They have been RVing for 20 years, starting with a 30-foot class C and the on to a 37-foot Class A and currently are enjoying a 40-foot Class A diesel pusher.

Upon retiring, they began traveling throughout the Southwest and finally settled in Pueblo El Mirage here in AZ. After several years living in a Park Model, Janice decided they needed a real home base and they purchased a home here in Sun City Grand.

Their RV travels have taken them to Branson, Sturgis, Pike's Peak, Albuquerque Ballon Festival, Alaska and Mexico. Highlighted trips include a 30-day caravan down the Baja to Cabo San Lucas, and two years ago, a 60-day caravan through Canada and Alaska.

They wish all members safe trips and to continue exploring this beautiful country. They will also continue to be roughing it smoothly.
