President: Mike Dawson

Hello Everyone, Gabriele and I hope you all had a wonderful Christmas and Holiday season and are heading into the New Year ready for lots of RV fun!

If you missed our Christmas party you really missed a great time with awesome food and fantastic live music with plenty of dancing! The raffle prizes were also wonderful and plenty of them. I think most every table had multiple winners. Thanks again to Linda Jakobsen and Carol Mayfield for organizing this great party!

At this point we may have or may not have gone to Williams for a rally depending on the weather but time will tell. There may be a warm-weather Williams rally being put together by someone in the club so look out for that and other rallies for next season to show up on our rally schedule. If you've never spent any time in Williams you really should attend, dozens of great restaurants within walking distance, the train to the Grand Canyon leaves from right next to the RV park, western entertainment all over town with gunfights and lots of music as well, its a fantastic little tourist town.

We are still and always are looking for Wagon Masters for new rally's so be sure to call or email Mike Holloway. If interested, Mike will also walk you through the process if needed but its really easy to do.

Vice-President: Janice Porter

Guest speakers for the January 21st meeting will be from Champs Family Automotive in Surprise,Az. They will speak about their new facility and services and/or RV repair to include RV storage and concierge services. We all need good and timely service. Be sure not to miss this important presentation. Janice.

Membership: Sharon Navratil

Keep those 2020 dues coming! As of today we have 135 members.

We are losing some long-term members in 2020 that have contributed to the success of the club for many years as board members, wagon mastering enthusiasts and trainers to their successors. Most have sold their RV's for personal reasons or are planning to enjoy new hobbies. All of you will be missed thank you for your leadership and guidance.

The club is still seeking a chairperson for the Day Events. This is a REALLY EASY job. If you have any questions just ask me or Eileen Provenzano or other members and we will tell you what is entailed. See you at the meeting.
Sharon

Sunshine: “Snaque” Rollo

snaquer@cox.net

If you know of someone in our wonderful RV Club who needs a little “Sunshine”.....please, let me know, Snaque Rollo, at snaquer@cox.net or 208-720-1973. I will be happy to send on the club's positive thoughts to them!

Chris Colglazier is now at home from Cobalt Rehab.....and is using a wheelchair to get around as she needs to be non-weight bearing on her left leg for a while longer.....and with her right arm in a cast...rather difficult to maneuver crutches! She is doing as well as can be expected!!

New Feature Continues:

Next in our series about club officers and volunteers: **Mike Holloway**

Marty and I are retired public school teachers who moved to Grand in 2003.

We met in high school in Tucson, AZ. Our first date was on leap year, Feb. 29th, 1964, so we don't have very many first date anniversaries! We married in 1967. We moved to Glendale, AZ in 1969, where we began careers in education. After a combined 65 years of teaching, we retired to Sun City Grand in 2003. In 2004 Mike began and continues a new career as a real estate agent in Sun City Grand, which has been very successful.

We have 2 wonderful children, Tracy, an elementary school teacher in Glendale, and Scott, a city of Phoenix police officer. We have 2 incredible grandchildren, Brendon, a college student who wants to teach; and Taylor who recently received her doctorate in Physical Therapy.

We enjoy golf in Grand, bocce league games, many friends and traveling in our motor home during the summer. We also enjoy our involvement in our RV Club!

Day Events!

You've already read this a couple of times in this newsletter, but the club needs a volunteer to head up the **DAY EVENTS** program. This was so much fun for the past couple of years. We had day events as diversified as a tour of the Phoenix Amazon Fulfillment Center to elegant tea parties in Cave Creek to a tour of the Palo Verde Nuclear Facility.

Check out the club website for the upcoming Day Events at Surprise Stadium for Spring Training Baseball!
